

# KANSAS OD2A PEER TO PEER SUMMIT POLYSUBSTANCE USE

## Agenda

### Event Summary

The Kansas Department of Health and Environment and DCCCA, Inc. are hosting the OD2A Peer to Peer Summit to facilitate connection between OD2A stakeholders across the country. Attendees will learn from peers and experts in the field on how polysubstance use is impacting communities and current prevention initiatives aimed at decreasing the harm associated with polysubstance use. Similar to past years, this event will provide educational opportunities through presentations and peer-learning/networking sessions.
